Burpee's Quality Seeds

For Market Gardeners and Florists

Burpee's Quality Seeds are grown from specially selected stocks for the best retail, florist and market gardener trade. Your success with Burpee's Seeds is traceable directly to the work carried on at the Burpee Seed Farms in Pennsylvania and California. Through careful testing we are able to supply you with seeds of known quality . . . seeds that can honestly be guaranteed to grow . . . seeds that will give you the greatest returns from your investment and labor. The vast amount of experimental work required to still further improve existing varieties and develop new ones of outstanding merit goes on at the Burpee Seed Farms year in and year out, so that Burpee customers may have The Best Seeds that Grow at very moderate wholesale prices. They appreciate their Better Quality and Lower Cost.

Burpee's World-Famous Flowers and Vegetables

Pages could be written of our experiments and breeding programs in which we are always engaged on our Floradale and Fordhook Farms. *This is to give you the Best*, the most improved stocks it is possible to produce. It is a satisfaction to know that our many years of research, experimenting, and actual tests are bringing such wonderful flowers and vegetables to our customers. It may be of interest to you to know that many of today's most popular varieties were Burpee introductions. Below, we mention a few; many more could be named, but space does not permit:

Bush Bean, Burpee's Stringless Green Pod	Introduced by Burpee, 1894
Sweet Corn, Burpee's Golden Bantam	Introduced by Burpee, 1902
Pea, Burpee's Blue Bantam	Introduced by Burpee, 1912
Radish, Burpee's Rapid Red	Introduced by Burpee, 1906
Lima Bean, Burpee's Bush	Introduced by Burpee, 1890
Lima Bean, Burpee's Improved Bush	Introduced by Burpee, 1907
Lima Bean, Burpee's Fordhook Bush	Introduced by Burpee, 1907
Lima Bean, Burpee's Giant Podded Pole	Introduced by Burpee, 1900
Lettuce, Burpee's Wayahead	Introduced by Burpee, 1907

Last year, *Burpee's Globe Tomato* was the Winner of the All-America Vegetable Award of Merit. This year our *Collarette Marigold*, "*Crown of Gold*" is the All-America Gold Medal Winner for the Best New Flower for 1937. There are many other New Prize Winning Vegetables and Flowers in this Catalog. Try them, they are sure to please you.

Quick Service The New Burpee Buildings are especially equipped to properly and quickly fill your orders, most of which are shipped within six hours from the time they are received. If you have not depended upon Burpee for your annual supply of seeds, do so this year; a trial order will be appreciated.

Order Early Although we greatly increased our plantings last summer, some seed crops are short; these include many varieties of Bush Beans, particularly Wax-Pods; Fordhook Bush Lima Bean; some varieties of Cabbage and other Vegetables. We suggest you cover on your requirements of all seeds as soon as possible.

The Burpee Guarantee

We guarantee the safe arrival of your order and the vitality and purity of Burpee's Seeds and Bulbs to the full amount of the purchase price. You can have your money back any time within the year if you are not satisfied with results. Even with the highest quality Seeds and Bulbs, success in gardening depends largely upon cultivation, soil, and weather conditions. Therefore, in no case shall W. Atlee Burpee Co. be liable for more than the amount actually paid us for Seeds and Bulbs.

We Send You this Wholesale Catalog (Burpee's Blue List) in the hope that we may receive your order this year. We believe we are equipped to render the market gardener and florist a very real service. It is our purpose to serve you so well, and at so low a cost, that you will never again sow any other seeds except Burpee's.

Effective January 11, 1937, all invoices for purchases will be charged at the prices quoted in this Burpee Blue List, unless Special Offers are made by letter or telegram and referred to when the order is placed.

We expect to adhere throughout the spring to the prices quoted herein, unless some causes beyond our control require a change, in which case we shall be governed by the market. All goods are offered subject to prior sale, and we reserve the right to change prices without notice if it should become necessary.

This Book, Known as Burpee's Blue List

is for the exclusive use of Market Gardeners and Florists who, on account of the larger quantities of seeds they require, are entitled to these Special Wholesale Prices. We are anxious to do all we can to help you make a success of your business by supplying the finest seeds it is possible to furnish and let you have them at low prices. As a grower you know the importance of Good Seeds; you cannot take chances on the quality of the seed from which you expect to make your profits. Sow Burpee's Tested Seeds—you can rely on them. They are guaranteed.

Burpee's Retail Seed Catalog

Every market gardener and florist should have a copy of Burpee's Annual Garden Book for 1937 because it is the best and most reliable retail seed catalog ever issued. It fully describes the best varieties of Vegetables, Flowers and Bulbs. One of these books has been sent to you; keep it on your desk for reference. If you want another copy for yourself, friend or neighbor, let us know, and if you have any friends who grow for market, send us their names and addresses so that we may also mail them a copy of Burpee's Blue List. *Important:* the Blue List is for the exclusive use of the market gardener, trucker, and florist, so please do not let it get into the hands of retail buyers.

Credit and Terms of Payment

Our terms are cash with order unless you have an account with us or are satisfactorily rated by the commercial agencies. To regular customers and those of approved credit, our terms are *60 days net*; 2% discount for cash in ten days from date of invoice, or 3% discount when cash accompanies the order, for Vegetable and Flower Seeds and Flower Bulbs. *No discount* on Grass Seeds, Clover Seeds, Onion Sets, Potatoes, Roots, and Supplies, or on shipping charges, all of which are *net cash*.

New customers, unless satisfactorily rated with the commercial agencies, should furnish us with at least three trade references. Orders from new customers amounting to less than \$5.00 should be accompanied by cash.

Orders for seeds will be shipped C.O.D. upon receipt of a deposit of 25% of the value of the order. Being perishable, Bulbs and Roots cannot be shipped C.O.D.

Shipping Instructions

With each order, please give complete shipping instructions if goods are not to be sent by parcel post. Give the name of your express or freight office and on which railroad you wish goods shipped. This will assure correct routing. After delivering the shipment to forwarders in good order (as shown by Bill of Lading), our responsibility ceases.

Marine insurance will be effected on foreign shipments only when so directed.

The Burpee Guarantee

We guarantee the safe arrival of your order, and the vitality and purity of our seeds and bulbs, to the full amount of the purchase price. You can have your money back any time within the year if you are not satisfied with the results. Even with the highest quality seeds and bulbs, success in gardening or farming depends largely upon cultivation, soil, and weather conditions. Therefore, in no case shall W. Atlee Burpee Co. be liable for more than the amount actually paid us for seeds or bulbs.

Free Delivery of Vegetable and Flower Seeds except where stated otherwise

If You Sell Seeds

Burpee's Seeds are known everywhere for their High Quality; they are the Best Seeds That Grow; they sell readily. Burpee dealers sell enormous quantities annually. If you have a shop or roadside stand, why not order an assortment of

Burpee Flower and Vegetable Seeds in Colored Packets

A wonderful opportunity to make money. And remember that seedsmen and dealers who sell seeds under the name Burpee get the benefit of all the national and local advertising we have done for more than half a century, and which we are doing this year on a large scale. Back covers and other full color pages in many of the country's leading magazines cost us a lot of money and will stimulate your sales of Burpee's Seeds.

See pages 4 and 5 for a list of the most popular varieties of Flowers and Vegetables available in attractive colored packet bags. On packets we will allow dealers a special 50% discount from the retail prices, but no original order will be accepted for less than 200 packets which may be made up of flowers or vegetables or both. Additional packets throughout the season will be supplied at the same discount. We can furnish a beautiful metal display rack to hold the colored packets, see page 4.

See next page for special Collections of Flower Seeds that we can supply in colored bags. These will be supplied at a discount of 25%, but original order must be for at least 20 collections.

We Do Not Commission Seeds

We do not send out seeds on commission or consignment. They are sold outright. None are returnable except in case of error in filling order. Colored packets and special Collections in colored bags are sold f.o.b. Philadelphia; customer pays the transportation charges.

Prices Quoted in This "Blue List"

The prices quoted in this "Blue List" wholesale catalog are very low when you consider the High Quality of the seed offered.

If flower bulbs or roots are wanted, we will allow you a 25% discount from the retail prices of separate varieties; 20% discount on special bulb collection offers. No discount will be allowed on bulbs or roots if the retail value of goods ordered at one time is less than \$2.00.

Five New Burpee Giant Ruffled Sweet Peas

Giant Ruffled Sweet Peas are Burpee introductions, developed on Burpee's Floradale Farms in California. They are distinguished by the unusual duplexness and extra frilliness of the flowers. This gives a double appearance to the large, wavy and ruffled flowers which makes them so distinct. Ever since the introduction of our first Ruffled Sweet Pea, we have been constantly working to create new colors in this wonderful class. Our success is shown by the offering of five new varieties this year, two of them are Prize Winners. For other Giant Ruffled Sweet Peas, see next page.

3467 **BONNIE RUFFLES**

Winner of the Gold Medal of
The Scottish National Sweet Pea Society
and the Award of Merit of the
National Sweet Pea Society of Great Britain

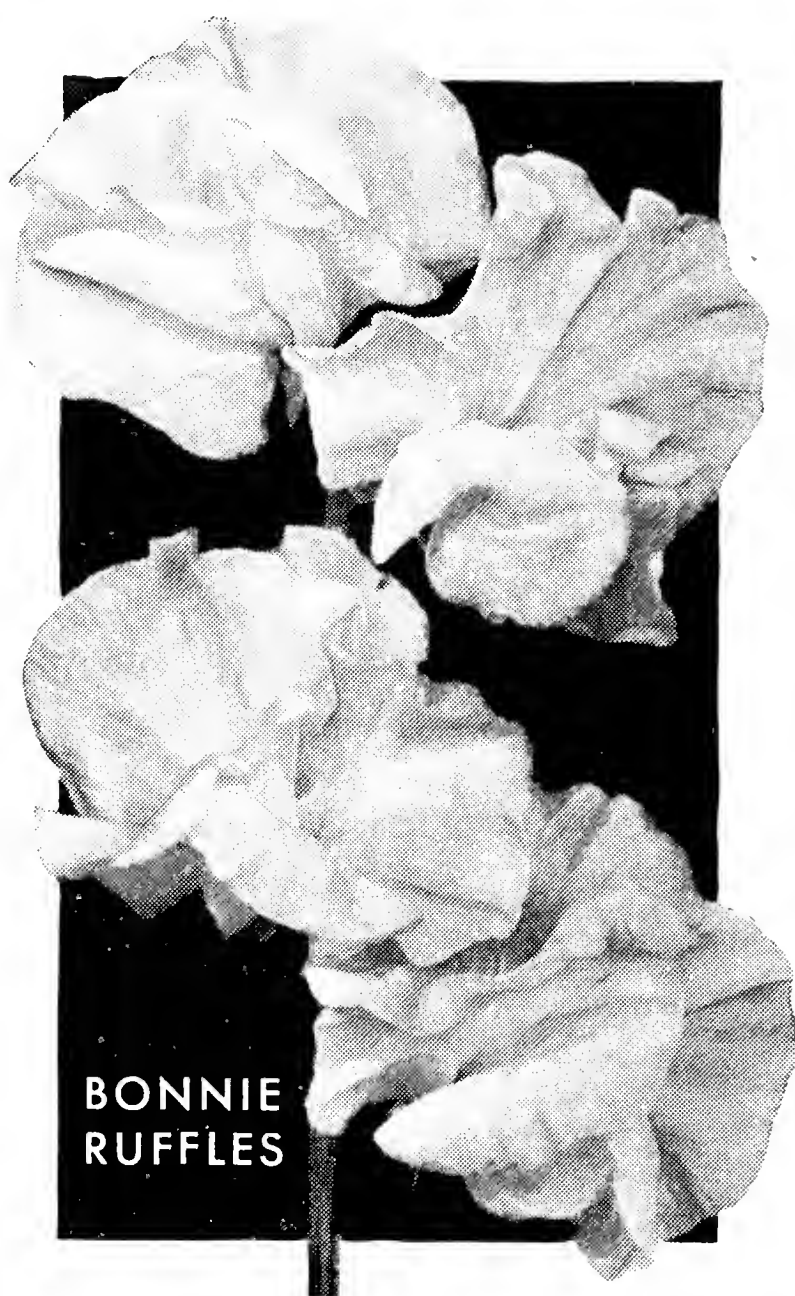

It must be a great Sweet Pea to win two such honors this year. It is a wonderful variety, unusually large, long stemmed, and of a most distinctive coloring, one that is difficult to describe—salmon-pink on rich cream, the pink becoming a little deeper towards the edge of the standard and wings. The salmon-pink, which completely overlays a background of rich primrose, gives a unique golden pink appearance to the duplexed, frilly blooms that is most exquisite. Flowers are very fragrant and well placed on sturdy stems.

3594 **BURPEE BLUE**

Winner of the Award of Merit of the
National Sweet Pea Society of Great Britain

Another Prize Winner. Flowers are large, beautifully waved, heavily ruffled and duplexed, and of a distinct dark blue, bright and clear, and uniform throughout. It is outstanding in its color class.

Vigor of growth, length of stem, size of flower, and purity of color are well combined in this New Giant Ruffled Burpee Blue Sweet Pea.

3518 **CRINKLES**

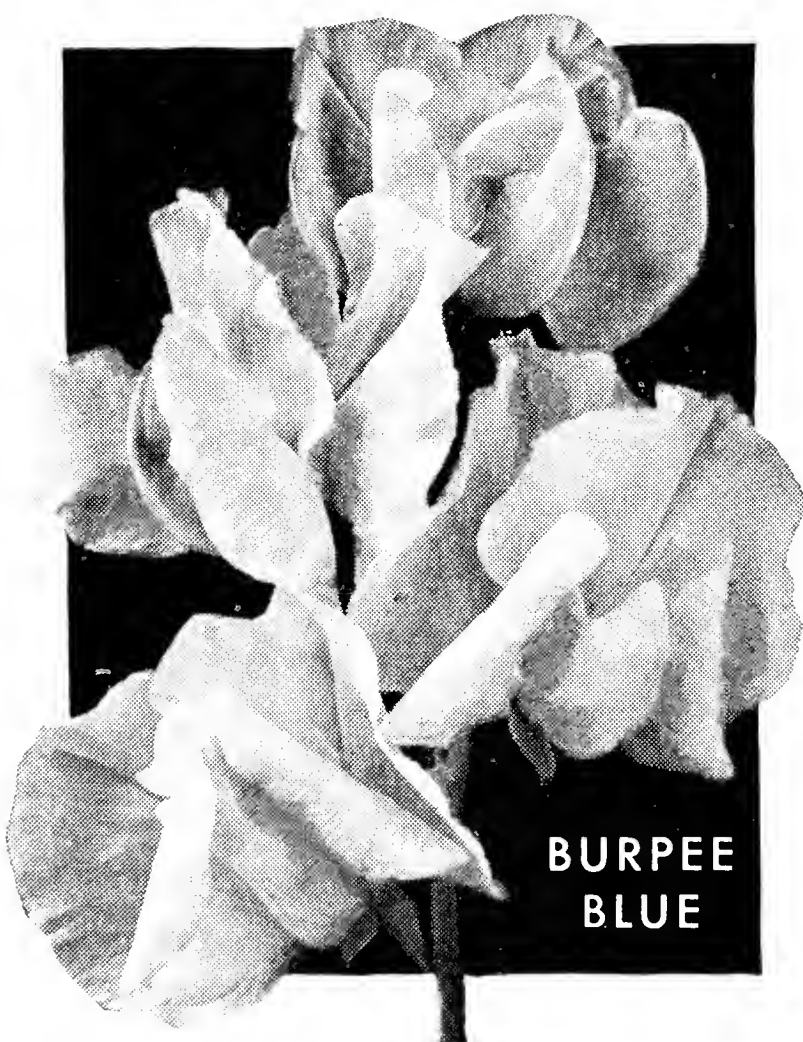

The blooms of Crinkles are very large, wonderfully ruffled, and delightfully frilled. A most gorgeous shade of rich cerise-pink suffused coral, somewhat lighter colored on the wings. The highlights and shadows created by the very deep rufflings greatly enhance the beauty of the flowers.

3513 **HEYDAY**

A great big ruffled flower, well duplexed and beautifully frilled, deep rose-pink enlivened by tones and suffusions of amber or primrose towards the edges of both the standard and wings. The wings are slightly deeper than the standard.

3515 **RUFFLED CRIMSON**

Flowers are of the largest size, heavily ruffled and duplexed, and extra long stemmed. Rich satiny crimson that deepens a trifle towards the edge of both the standard and wings. Much admired.

Early Flowering Sweet Peas

Burpee's Early Flowering Sweet Peas come into bloom 3 to 4 weeks earlier than the Summer Flowering varieties offered on pages 30 to 35. They are especially adapted for growing in frost-free sections and for earliest blooms outdoors in the North, and also valuable for winter flowering under glass. They are being planted more and more every year. If you live in a locality where the late Sweet Peas have not done well, suggest that you try some Early Flowering. They will bloom before the summer heat arrives. Sweet Peas do best in cool weather. If seed was not sown in the fall, sow as early in the spring as the ground can be prepared. They prefer an open, sunny location, and deep rich soil which must be well drained.

Burpee's Sweet Peas are famous the world over as the "Best That Grow." The flowers are extra large, of perfect form and texture, well placed on long strong stems, and usually produced in sprays of four. We have marked with a star (*) the varieties that we prefer in each color class; if you are in doubt as to which to choose make your selection from those thus marked.

One-half lb. of any variety may be ordered at 1/2 the lb. rate; 1/2 oz. at 1/2 the oz. rate where the price per oz. is 20c or more. Where the price per oz. is 15c, we will sell 1/2 oz. for 10c. No unit will be sold for less than 10c.

Burpee's Famous Seed Farms

Each lot of seed is tested for vitality in the Fordhook Greenhouses

A corner of the Vegetable Seed Trial Grounds at Fordhook

Row after row, as far as you can see, are many varieties of flowers for seed on Floradale Farms

At the left: Burpee experts inspecting a field of Sweet Peas at Floradale

Hundreds of acres are grown every year for seed production. Many of the finest Sweet Peas were originated by Burpee.

Fordhook and Floradale are the names of our famous Seed Farms. On them, we not only grow hundreds of acres for seed production, but we also devote large acreages to breeding and experimental work as well as extensive trial grounds. A most careful record is kept by our experts from the time the seed is sown until the plants mature. With thousands and thousands of trials to be properly cared for and noted throughout the season, it means an expenditure of thousands of dollars. All this to make doubly sure that Burpee customers will receive the Highest Quality Seeds for which Burpee has been known for more than 60 years.

By testing every variety of Vegetables and Flowers from all foreign countries and making careful comparisons, and by hybridization and selection, we are constantly improving the Quality and also creating New Varieties of both Vegetables and Flowers. Burpee's Fordhook and Burpee's Floradale Farms are the most famous Seed Farms in the entire world. In addition to these great experimental stations, we grow enormous acreages of the finest Vegetable Seeds in Michigan, Wyoming and Idaho, where the climatic conditions are most favorable for growing many varieties.

Floradale Farms

Lompoc, Calif.

60 miles north of Santa Barbara

The Original Flower Seed Farm of the Famous Lompoc Valley

W. Atlee Burpee established Floradale Farms especially to grow Sweet Peas. We later found out that the soil and the climate were almost ideal for growing nearly every variety of Flower Seeds. At Lompoc we have cold summers and the seed develops unusual vitality and strength. We are now growing hundreds of acres of flowers for Seed at Floradale. The seed is harvested and shipped to Philadelphia by the carload. When you order Burpee's Flower Seeds from our headquarters in Philadelphia, you are assured of getting the purest and strongest Seeds—the prize-winning Seeds that are grown on Burpee's Floradale and Fordhook Farms.

You are cordially invited to visit Burpee's Seed Farms and also the Burpee Buildings in Philadelphia located at Hunting Park Avenue and 18th Street.
